

Dear Parents/Carers,

Thank you for expressing an interest in Little Badgers Nursery. We have 2 separate Nursery groups called **Ladybirds and Butterflies** with the days/timings as follows;

Ladybirds – Monday 9am-3pm / Tuesday 9am-3pm / Wednesday morning 8.45am-11.45am

Butterflies – Wednesday afternoon 12.15pm-3.15pm /Thursday 9am-3pm /Friday 9am-3pm

This model of provision is in line with Lakeside and Mytchett Primary Schools and is being supported by the Surrey Early Years team. This nursery model enables children to have consistency within peer/friendship groups and offers less disruption between sessions to enable us to spend more quality time with the children. It also supports our planning for groups of children and the key person approach.

Please complete the application form and return this to us. We will then sort the applications into our admission policy criteria and begin to offer available spaces at the end of term. If we are unable to offer your child a space due to the nursery being full, we will write and advise you at the start of the following term and offer to keep your child on our waiting list.

If you have any further questions please contact the office.

Kind regards

Mrs. A Stone
Head Teacher
